Thanks for meeting with me to put together a game plan for all these letters. Here's the new version of the letter with reference to AMCA's Annual Washington Conference. Please let me know if Marietta or Yu-Ting have any comments.

Brian —

Marietta accepted a request from AMCA to speak at their May 16 meeting on ESA and efforts to incorporate usage data into assessments. Marietta also mentioned a follow-up meeting with AMCA that same day at one. It seems to me that Marietta would want to acknowledge this in her response to the AMCA letter.

Would you check with her about AMCA and CLA letter responses before our 4 pm meeting with Kaythi today, if possible?

Thanks!

Subject: For your review: Another BiOp Letter

Tracy and Brian,

Here's another letter on the BiOp from AMCA. The response is pretty straightforward, but let me know if you have any edits. Rick has asked Marietta to sign this one.
